Candidate, Community Member Director-At-Large
GSA Board of Directors

Candidate Statement of Interest

I have volunteered in many leadership and advisory roles at McMaster for over 40 years. It has been my privilege to serve the McMaster community, students, and alumni by bringing a combination of McMaster history as well as governance, advocacy and service experience I have as a Mac alumnus and as a member of the Ontario Public Service.

I have been a community director on the GSA Board and have enjoyed working with my fellow directors, the executive and GSA staff. I took up this role – in part – as a follow-up to an informal role as an advisor to the GSA for over a decade. I would like to continue to help in any way I may for the benefit of GSA members.
